Soft Landscaper

Description

Soft Landscaper

Bee Happy Recruitment are proud to be working with an esteemed client in the agricultural sector. My client is recruiting a Landscaping Operative.

About the role:

You will be working within a team responsible for delivering the successful implementation and completion of soft Landscaping schemes across the South of England, delivering a professional and high-quality service based on the specifications of our customers.

Candidates for this role must have a valid CSCS card and hold a valid driving license.

Who are we looking for?

- Previous experience of working as a landscaper and experience of working in the new build homes sector would be ideal, but not essential
- Do you have a work safe home safe attitude, not only for you but all site users.
- Do you have a valid CSCS Card.
- Do you have a valid driving license

We as a company continue to expand and become a great place for people to grow and develop. As part of that growth, we require soft landscapers.

We offer training and development for those wanting to progress and will look to support you in your goals.

We strive to achieve the highest standards for our customers and look for individuals who can work to these standards. Right first time is important to us and our customers.

Immediate start available with this forward-thinking employer who continues to develop and grow.
