Description

Temporary HVAC Technician

Location: Manchester area

Salary: £17 per hour

Job Description:

Bee Happy Recruitment is seeking a motivated and hardworking Entry-Level HVAC Technician for a temporary 6-month position with one of our esteemed clients. The ideal candidate will assist with the repair, maintenance, and installation of HVAC systems in residential and commercial settings. This is a great opportunity for individuals looking to gain valuable hands-on experience in the HVAC industry. Candidates must hold a valid CSCS card for this role.

Key Responsibilities: Assist in the removal of old HVAC equipment and the installation of new systems

Support the running of pipe and duct systems through homes and businesses Aid in reading and interpreting wiring diagrams and blueprints

Learn and understand refrigeration cycles and how to interpret technical data such as pressure and temperature

Clean, adjust, and perform routine maintenance on HVAC systems

Respond promptly to emergency calls and provide efficient solutions

Maintain accurate records of maintenance and repairs performed

Skills and Qualifications: Basic understanding of HVAC systems and their components

Strong problem-solving skills and attention to detail Good communication skills to explain repairs and maintenance to customers Ability to work in a team and take direction from experienced technicians Willingness to learn and adapt to new techniques and technologies

Salary:

£17 per hour

Education and Training Requirements: Possession of a valid CSCS card (Construction Skills Certification Scheme) Enrolment in or completion of an HVAC certificate program is preferred but not required

Valid driver's license and reliable transportation

Benefits:

Hands-on training and mentorship from experienced HVAC professionals
